

VK100WIA/VK3ER

EMDRC will operate the special WIA Centenary Callsign over 3 days from 17th to the 19th of September 2010.

Our operation will commence from Friday 00:00hours UTC September 17 until Sunday 00:00hours UTC September 19th. We would like to see most of the operation from the EMDRC Clubrooms in East Burwood but if you have a special request to operate from a location that is not associated with the clubroom please state your anticipated activity. To give as many members as possible a chance to operate the special call we are allowing 1 hour time slots. If the slots are not filling up you can then apply for extra slots.
