

Terms of Reference for EMDRC Social Media Use

Our Mission is to build a community for members to interact with each other and to share news, ideas and tips around the Amateur Radio hobby. To ensure that everyone feels welcome and respects other people views.

1. Respect others: please only publish comments and posts that are NOT likely to be regarded by admin as offensive, obscene or hurtful (removal from the group if you are rude or disrespectful of others, we want to be supportive).
2. Protect privacy: please don't share your own personal information, or the personal information of other people on our timeline.
3. Keep on topic: please keep comments relevant to Ham radio related topics and DO NOT post about politics, religion, personal matters, EMDRC internal affairs and don't post spam. We reserve the right at our sole discretion to delete any posts or comments that don't comply with our guidelines, or which we otherwise feel are inappropriate, overly self-promotional or spam and we will block users if required.
4. Content posted by our members on our page does not represent the official views of the Eastern and Mountain District Radio Club.
5. By using our Facebook page, you are required to comply with Facebook's terms of use, including its privacy policy: www.facebook.com/policies
